## VINTAGE CHAMPAGNE

**Dom Pérignon 2013 Champagne 440**  
A precise, elegant vintage champagne marked by a late harvest, balancing high acidity with a creamy, structured palate. It features complex, delicate aromas of citrus, white flowers, and stone fruit (apricot, mirabelle) with a long, saline finish. Known for its "classic" profile, it balances Pinot Noir power with Chardonnay finesse.

**Louis Roederer Cristal 2009 Champagne 695**  
Opulent vintage. The 2009 Louis Roederer Cristal is a rich, sensual, and highly acclaimed vintage champagne, characterised by the sunny, continental climate of that year. Composed of 60% Pinot Noir and 40% Chardonnay, it offers intense aromas of apricot, honeysuckle, citrus, and toasted nuts, with a silky, structured, and vibrant palate. It is renowned for its elegance and remarkable aging potential, offering an immediate, voluptuous drinking experience.

## BERMAR™

Wine & Champagne preservation systems

We have installed the Berman Wine & Champagne preservation system to offer a far wider range of wines by the glass, whilst keeping each glass as if the bottle had just been opened.

Try wines you wouldn't normally try, or just have a glass of your favourite bottle, without having to buy the entire bottle. Go, enjoy wine.

## mQuvée

Russell's has 2 McQuvée wine storage fridges, one for red & the other for white. These state of the art wine fridges hold wine at the perfect temperature and humidity, and away from harmful UV rays.

We make every effort to ensure wine served at Russell's is as close as possible to drinking wine directly from the vineyard.
